Newsletter 8

Dear Parents and Carers,

As the safety of all children and staff is very important to us, may we please remind you to ensure that the intercom gate is firmly closed when you enter and leave the grounds. Thank you for your co-operation.

It is also very important that you let a member of staff know if your child has fallen over before coming into the setting. You will be asked to make a note in our green accident/incident book, sign and date it.

We will be having parents' consultation meetings on **Tuesday 21st June & Wednesday 22nd June**. There will be 10 minute appointments available for each parent from 3.40 pm to 4.50 pm. An appointment sheet will be available for you to fill in if you would like to meet your child's keyworker. Please ask the staff member on door duty for a form.

Now that the weather is getting warmer, can I please ask all parents to put a small ice pack in their child's lunch box to keep their lunches cool.

Please make sure all children have sun hats and sun cream applied before coming to preschool. We ask you to bring their sun creams clearly labelled with their names so that we can reapply it in the afternoon if it is very sunny.

When you drop off your child in the morning and need to speak to a member of the staff team, could we kindly ask that you wait until all the children have gone into the setting for registration. Thank you for your co-operation with this request.

Please have a look on your child's tapestry as staff have been adding photos of your children. The children have enjoyed learning about different farm animals, how plants grow and doing different activities regarding the Queen's Platinum Jubilee.

Graduation for children going to school - **Thursday 21st July**.

Last day of term - **Friday 22nd July**.

We wish you all an enjoyable half term and Platinum Jubilee celebrations and that we look forward to seeing you all again on Monday 6th June

Kindest Wishes
Olivia Gailey
